

Embrace CREMATION

It's what's above ground that matters! When opting for cremation, keep in mind that cremation is just a prelude to memorialization. Whether you are planning for a loved one, or your own memorialization, it is important to remember that opting for cremation does not eliminate the need to be memorialized - everyone deserves their name in granite forever!

MCARTHUR

I STROLL ALONG A FRAGRANT COUNTRY LANE
WITH HONEYSUCKLE PERRUME ON THE AIR -
AND FEATHERED CROONERS WAIL TO REVERE -
THEN CROSS A GOLDEN SEA OF FLOWING GRAIN
IN EMPATHY - IT SEEMS TO SENSE MY PAIN
OF KNOWING ALL WAS DONE WITH MY AFFAIR -
HER EMPTY MEANING NOW THE SOLITAIRE -
SHE CAST AWAY - BETROTHMENT ALL IN VAIN,
BUT OCEANS TEAR WITH MESSY FISH TO CATCH
SO I MUST UP AND HOIST ANOTHER SAIL
AND SEEK THE ONE THAT REALLY WAITS FOR ME
FOR SOON AUSPICIOUS BREEZES WILL PREVAIL
IN GUIDING FORTH TO FIND A TRUER MATCH
THE ONE TO TAKE MY HAND AS WIFE TO BE.

*Turn virtually any monument into a beautiful
Cremation Memorial with this revolutionary
cremation base option!*

*Chamber allows for
urn containers to fit
inside the base,
beneath any die.*

*Add length to any
base to make room
for a custom vase or
solar light!*

*Choose your polish! Rock
pitched, all polished or
with a polished margin.*
